

The new GDPR (General Data Protection Regulation) legislation, comes into force 25 May 2018. The new legislation is securing the processing of your personal data.

- 1. Who is processing your personal data?**
 - 1.1. Conjet AB only.
- 2. Who can I contact if I have any questions regarding the processing of my personal data?**
 - 2.1. Should you have any questions regarding your privacy, please contact our main office at conjet@conjet.com.
- 3. What is the purpose of the processing of my personal data?**
 - 3.1. Conjet wants to stay in contact with our customers/potential customers. We do this by e.g. sending you newsletters and invitations.
- 4. What categories of personal data is Conjet processing about me?**
 - 4.1. Typically, we process e.g. your name, address, e-mail address and phone number.
- 5. With whom does the company share my data with?**
 - 5.1. Normally, Conjet does not share your personal data with anyone outside the company. However, sometimes we transfer your personal data to e.g. a business partner and service providers.
- 6. Is my personal data transferred outside of EU?**
 - 6.1. Conjet is a global company; hence personal data will from time to time be processed in our global business environment – also outside of EU in a secure appropriate manner.
- 7. For how long does DSV process my personal data?**
 - 7.1. We will process your personal data for as long as it is necessary to fulfill the purpose mentioned in section 3 and in accordance with applicable law. Or until you make us aware you do not want us to process your personal data any longer.
- 8. Can I lodge a complaint with a supervisory authority about Conjet's processing of my personal data?**
 - 8.1. Yes, you can do that at any time. Please contact your local data protection agency/supervisory authority.
- 9. What are my rights?**
 - 9.1. You have the right to (i) get your personal data rectified and/or erased if they are incorrect, (ii) be informed about the personal data Conjet is processing about you and (iii) object to the processing of your personal data.
